It's cool. I agree Warren can help. I appreciate the chance to watch your site and get some USOR time (only 1 visit this year so far).

No response on security yet. Will call them tomorrow and follow up from today's email.

Thanks  
Adam

If you think you may be pushed to go to Explo, we could talk with Mike, Roberto, or Mark. Let me know, I don't want to get burned out.**

**Also, have you heard anything from the PRP Group at US Oil about their video security system and who that had set this up for them.**
